We are family-run jewelry designer company Baltu Rotas Ltd (Baltic Jewellery) with more than 20 years of experience. We have created our own jewelry shops in Latvia, and also Museum of Ancient Baltic Jewellery.

Our jewelry has been worn in all populated areas in world, we have participated in international exhibitions and festivals, our works have been chosen as representation gifts, boutiques in US, Canada, France and Japan have chosen our collections.

Our passion is to find amazing symbols and motifs in ancient jewelry and turn them into up-to date designs. Also we have created free design collections with nature motifs.
